Why Lal Bahadur Shastri was more than Nehru's shadow—green revolution to 1965 win

My first column in 2023 is a tribute to India's second Prime Minister, Lal Bahadur Shastri, whose 57th death anniversary falls on 11 January. Even though his name is the bellwether of the institution where I trained for two years—from 1985 to 1987—and served for nearly nine years, first as deputy director from 1994-2001 and then as director from 2019-2021, the Lal Bahadur Shastri National Academy of Administration in Uttarakhand, his name does not figure in Ramachandra Guha's Makers of Modern India. V. Krishna Ananth's India Since Independence gives him eight paragraphs, while Meghnad Desai's Rediscovery of India gives him three pages. In the memoirs and autobiographies of Shastri's political contemporaries, only S. Nijalingappa, Independence activist and former chief minister of Karnataka, holds him in high esteem. Morarji Desai and Vijayalakshmi Pandit, though, were not too charitable. Except for Kuldeep Nayyar, who devoted three chapters on Shastri in his books Between the Lines and Beyond the Lines, giving a fair and candid assessment of his life and politics, most other English language journalists in India and abroad always regarded him as a shadow of his former mentor Jawaharlal Nehru, who had a 17-year tenure as prime minister. The editors of Mainstream and Seminar—Nikhil Chakravarty and Romesh Thapar were too enamoured by Nehru to give Shastri an agency of his own. The civil servants he worked with at close quarters, L.P. Singh, C.P. Srivastava and Rajeshwar Prasad, have written their recollections of the man and his frank and forthright style of functioning, but that's about it. Three years ago, author Sandeep Shastri wrote a slim volume called Lal Bahadur Shastri: Politics and Beyond. This is in contrast to the hundreds of books written on Nehru and Indira Gandhi—not just because they had longer tenures in office but also because it was part of a conscious effort to build the myth and mystique of the Nehru-Gandhi dynasty.

IND vs NZ, 1st ODI: Shubman Gill's 208 runs, India beat New Zealand in high-scoring thriller

Agency News : Hyderabad

India and New Zealand played out a thrilling match in Hyderabad on Wednesday with the hosts ending up winning the first ODI by 12 runs in a high-scoring game at the Rajiv Gandhi International Stadium. Chasing a mammoth 348 for victory, the Kiwis made a list of the chase thanks to all-rounder Michael Bracewell's 78-ball 140 which nearly took the game away from India. New Zealand were in big trouble at 131 for 6 in 28.4 overs when Michael Bracewell and Mitchell Santner joined forces and bailed the team out of troubled waters. Their 162-runs stand off 102 balls actually turned the tide in New Zealand's favour as they

brought the equation down to just 59 from 30 balls by the 45th over. But Mohammed Siraj changed the complexion of the match in a matter of two balls as he first sent back Santner for 57 and then got rid of Dom Shipley for a golden duck to bring India back into the contest. Bracewell continued to smash the team out of troubled waters. Their 162-runs stand off 102 balls actually turned the tide in New Zealand's favour as they

Step out of your homes against inflation, unemployment: Kharage

Agency News: New Delhi

Congress President Mallikarjun Kharage on Wednesday appealed to the people to step out of their homes and join the struggle against inflation, unemployment and hatred spread by the BJP and RSS. In a video address, he said: "Rahul Gandhi had started the Bharat Jodo Yatra on September 7 from Kanyakumari and now nearing his final destination, I

appeal to everyone to step out from their homes and stand against inflation, unemployment and hatred spread by the BJP and RSS as the country is ours." Kharage said Rahul Gandhi is standing against the hatred and appealed to the people to join his mega walkathon. The Bharat Jodo Yatra entered Himachal Pradesh on Wednesday from Punjab. On Tuesday, the senior Congress leader had alleged that the BJP and RSS captured institutions.

Hemant Soren slams BJP over Parasnath row

Agency News: Jamshedpur

Jharkhand chief minister Hemant Soren has accused the BJP of poisoning the mind of tribals and Jains over the Parasnath Hills in Giridih. Addressing a rally in Giridih on Wednesday evening, Soren said: "The BJP-led central government implicates people in false cases in non-BJP ruled states and is known to divide the country and states in the name of religion and caste. We are witnessing a new poison being stirred among tribals and Jains in our state over the Parasnath Hills issue. Do not worry, their game plan will not succeed this time." The Jain community has been protesting against a 2019 decision (taken by the erstwhile BJP government in Jharkhand and endorsed by the Centre before Soren came to power) announcing Parasnath Hills as a religious tourism site. Following a

series of protests, Soren had written to the Union environment minister on January 5 requesting him to cancel the August 2019 notification that allowed tourism activities on the hills where the Sammed Shikharji, sacred to the Jains, is situated. The Union environment ministry on January 5 directed Jharkhand to stay all tourism activities on the hills and strictly enforce the existing

Tamil Nadu Gov's 'Guest' Recorded Assembly Proceedings, Matter Goes to Privileges Panel

Agency News: Chennai

Speaker M Appavu referred the matter to the Committee of Privileges for its consideration. Following the question hour, Rajaa said on January 9 a 'guest' of Governor Ravi recorded from the visitor's gallery, House proceedings using his mobile phone. That day, Ravi was in the Assembly to make his customary address of the year to the House. Rajaa said mobile

phones are not allowed inside the House and recording proceedings went against rules. After noticing it, the ruling party MLA said he took up the matter with Assembly authorities. WFI President has sexually exploited women wrestlers, I have received death threats: Vinesh Phogat

Agency News : New Delhi

In a startling revelation, a crying Vinesh Phogat on Wednesday alleged that Wrestling Federation of India (WFI) President Brij Bhushan Sharan Singh has been sexually exploiting women wrestlers for many years, a charge vehemently rejected by the sports administrator and BJP MP Vinesh, who has been at loggerheads with WFI since the Tokyo Olympic Games, also claimed that several coaches at the national camp in Lucknow have also exploited women wrestlers, adding that there are a few women at the camp who approach wrestlers at the behest of the WFI President. The 28-year-old though clarified that she herself never faced such exploitation but claimed that "one victim" was present at the 'dharna' they began at Jantar Mantar on Wednesday. Vinesh also claimed that she had received death threats

at the behest of WFI President from officials close to him because she dared to draw Prime Minister Narendra Modi's attention to several issues plaguing Indian wrestling when she met him after the Tokyo Games. "I know at least 10-20 women wrestlers who have told me about the sexual exploitation they faced at the hands of (the) WFI President. They told me their stories. I can't take their names now but I can definitely reveal the names if we get to meet the Prime Minister and the Home Minister of the country," Vinesh said addressing the media after staging a four-hour dharna at Jantar Mantar.

Class 8 student dies of cardiac arrest, parents blame school

Agency News: Rajkot

The parents of a class 8 student who passed away due to a severe cardiac arrest have blamed the school management for her death, saying the sweaters prescribed by the authorities amid the cold wave were not enough to protect the victim. In a letter address to the Rajkot District Primary Education officer (DPEO), principal of the Shree Amritlal Virchand Jasani Vidyamandir school said: "On Tuesday morning, English medium class VIII student Riya Soni complained of uneasiness at 7.23 a.m. Her parents were called, who took her to hospital, where the doctor declared her brought dead." According to the principal Smitaben, when the

victim fell, her classmates and teachers rubbed her arms and legs in an effort to help her recover. On the other hand, Riya's parents have alleged that their daughter was healthy and not suffering from any disease. They further said that had the school changed their timings as per DPEO's instruction, from 7.30 a.m. to 8.30 a.m., she would not have died, adding that the sweaters prescribed by the management was not enough to protect children in the cold wave. It is too early to say that Riya died because of the cold wave, DPEO B.S. Kaila told, adding that the doctor's primary diagnosis is that she died because of a severe cardiac arrest. The FSL will also carry out a vicera test and only after that the real reason behind death can be confirmed, he added.

NHRC seeks report from Kolkata Police on harassment of activists within 4 weeks

Agency News: Kolkata

The National Human Right Commission (NHRC) has served a notice to Kolkata Police Commissioner Vineet Kumar Goyal seeking an explanatory report on two cases of harassment and arrests of human rights

activists in Kolkata last year. To recall, there are allegations against Kolkata Police of harassment and arrests of certain human rights activists at Amherst Street in north Kolkata on September 29 and October 13 while the latter were organising peaceful protest

demonstrations there. The matter was reported to NHRC at that point of time only and the latter immediately sought an explanatory report from the city police in the matter. However, since the explanatory report was not forwarded to NHRC even in the new year, the latter has

sent a notice to city police commissioner on Wednesday asking him to forward the report to the commission within the next four weeks. In the fresh notice, NHRC authorities have sought explanations on why there was a delay in sending the report.
